PRESS RELEASE

The Garnacha 2014, best Spanish red varietal at the Decanter World Wine Awards 2017

- **La Garnacha 2014** has won the “Platinum Best Value Regional Spanish Red” medal at the renowned international competition Decanter World Wine Awards (DWWA) 2017.
- **Mustiguillo**, the first Mediterranean winery to be classified as **Vino de Pago (DOP El Terrerazo)**, has been granted the Platinum for the third time in history at the DWWA and so become the most awarded winery from the Levante (Spain).

El Terrerazo, June 2017.- The prestigious English magazine Decanter has chosen **La Garnacha 2014** (95 points) as “Platinum Best Value Regional Spanish Red”. **Bodegas Mustiguillo** has been given the Platinum for its third time, while **Finca Terrerazo 2011** was awarded in 2014 “Best in Show” at **Decanter World Wine Awards (DWWA)** —the most celebrated international competition for its rigorous blind tasting process and panel of wine tasters.

Mustiguillo is the best rated Valencian winery from this year’s edition and has been handed out following further prizes for its wines: **gold** medal for **Finca Calvestra Merseguera** (95 points), silver medal for **Mestizaje** (91 points) and two bronze medals for **Finca Terrerazo** and **Quincha Corral**. **Mestizaje Blanco** was commended by the jury.

Born in a vintage year of excellent weather conditions with a cold and rainy winter, a mild spring and a hot and dry summer, **La Garnacha 2014** reveals subtle flower nuances, a balanced acidity and a remarkable complexity as a result of 10 months ageing in French oak casks. This succulent and fresh wine, with its plum and red fruits bouquet, is just the perfect food wine as it pairs fantastically well with game or rice dishes, stews and roasted meat.

Bodega Mustiguillo

Mustiguillo is a family bodega located in El Terrerazo (Valencia), a 87 hectare Pago where since 1999 the native grape variety Bobal is queen. They are proud of their native grapes typical from the climate and landscape of the Valencian high plateau. **All wines from Mustiguillo are EU Organic certified since 2007** as a result of a simple, yet thorough work in the vineyard. In 2009, Mustiguillo was classified as Vino de Pago (DOP) El Terrerazo turning into the first winery from the Levante and the Spanish Mediterranean to receive this classification.
